Concept360 LifeSpace Products and Services

Creating Your LifeSpace, an interactive quiz makes this **Book** your personal roadmap to understanding personality and where you live. LifeSpace is a uniquely powerful way to discover who you are and how you relate to your space.

LifeTraits Quiz, a tool to determine your LifeSpace personality. This quiz is a break-through tool for sales, design, customer service or anyone who seeks a better understanding of clients, co-workers and relationships regarding home decor and buyer preferences. The "Myers-Briggs" for your home and personality.

Creating Your LifeSpace Seminars and Training are developed for a company's specific strategies, balancing creativity with understanding personality and customers. This training helps staff work with individuals and the design of their homes, home offices and relationships. Make use of strategies and tools for working with personality and design.
